

KECI-TV Channel Change Application
LMS File No. 0000127630

Purpose of Amendment

Licensee hereby amends this petition to provide an updated version of the petition's engineering narrative. FCC staff has requested additional information regarding the population predicted to be served by the proposed channel 20 facility versus the population served by KECI-TV's pre-transition channel 13 facility. The instant amendment provides the requested information. Additionally, the applicant requests a change in its directional antenna horizontal azimuth pattern. Otherwise, there are other no substantive changes proposed in the pending application.
