Hossein,

WJKF-CD, Fac. ID. 4754, has pending before you a Minor Modification request for channel 28 in Jacksonville, FL., file no. 0000133609. As licensee Abacus Television can not make the requested channel change at this time it now wants to nullify (or dismiss) the Minor Modification request.

Your assistance with this matter is greatly appreciated.

Best regards,  
Ben Perez
