

73.3526 Compliance And Operating Schedule

During this license renewal it was discovered KTUT Issues-Programming lists have not always been placed in the online public inspection file in a timely basis in accordance with 73.3526. This programming was all run. All Issues-Program lists are complete for the time the station has been in operation. These lists will be completed on a timely basis in the future. The station did not operate from January 20, 2020 due to the fact the site owner left town and did not pay property taxes or utilities. The present owner renewed the agreement with the licensee and the facility returned to operation on January 4, 2021.
