

## **Narrative Statement**

The station employment unit (SEU) is committed to achieving broad and inclusive outreach for all full-time positions that it fills. The SEU employs a variety of sources to reach and recruit potential candidates including local and national sources. Its mentoring and training programs, career day participation and other outreach efforts in the surrounding communities ensure that the SEU is well connected to the communities it serves. The SEU takes its EEO responsibilities seriously and will continue to do so.

Only one EEO public file report is included because the SEU only reached five full-time employees after station acquisitions in 2020.
