Publicizing Children's Reports Exhibit

On January 7, 2021, Licensee was transferred to the station's current owner pursuant to a long form transfer of control application. *See* FCC File No. BTCCDT-20201013ACA. Because of the long-form ownership change, the current owners are not liable for the violations of the prior licensee. However, out of an abundance of caution, Licensee discloses that beginning with the fourth quarter of 2017 and continuing through the first quarter of 2019, the station inadvertently ceased to publicize on air the existence and location of its Children's Television Programming Reports. The station resumed on air announcements regarding the existence and location of these reports during the second quarter of 2019 and continued to do so until the first quarter of 2020 when the Commission eliminated the publicity requirement.
