

New Control Point

This exhibit is to provide additional control point information for WBAL-TV, Baltimore, Maryland (Facility ID No. 65696).

WBAL-TV will have a new control point at 700 Coliseum Drive, Winston-Salem, NC 27106. The new control point is becoming effective in early April 2021. Additionally, the Station is still able to be controlled from 3800 Hooper Avenue, Baltimore, Maryland 21211.

In addition, a password-protected, encrypted VPN communication system permits the licensee's authorized operators to control WBAL-TV remotely from virtually any location via remote control software operable on secure devices such as a laptop computer.
