

LICENSE RENEWAL EXHIBIT

Political File

Station WAWV-TV is committed to uploading political file material as soon as possible consistent with Commission guidance. In reviewing the political file material uploaded over the past two years, the station determined that, in three instances, orders were uploaded two-three days late. Going forward, station management will ensure that political material is uploaded within one business day from a request for time.

Station Contracts

In preparation for the filing of its license renewal application, WAWV-TV realized that an amendment to the Agreement for Sale of Commercial Time already in the online public inspection file had not been uploaded. The station promptly uploaded the amendment upon noticing the omission.

EEO Public File Report

WAWV-TV employs fewer than five full-time employees. Accordingly, the station is not required by the FCC's rules to produce EEO public file reports.
