

**Online Public Inspection File Exhibit
Agape Broadcasting Foundation, Inc.**

The online public file includes required documents beginning on January 28, 2014, when the last license renewal was granted. Almost all documents required by 47 C.F.R. Section 73.3527 were uploaded to the station's online public file when required, and certain timely uploaded documents were corrected and re-uploaded at a later date. As of this filing the station's online public file is complete.
