

**Amendment to License Renewal Application**

The instant amendment is being filed to notify the Commission that WBFT-CD resumed operations on October 14, 2020 (see LMS File No. [0000124673](#)). Accordingly, with respect to the renewal question that asks it to certify whether the station is currently on the air broadcasting programming intended to be received by the public, the licensee hereby amends its answer from NO to YES effective October 14, 2020.
