On June 26, 2014 Erika L. Maudlin filed a complaint with the U.S. Equal Employment Opportunity Commission and the Illinois Department of Human Rights, Case No. 440-2014-04501, alleging sexual harassment, retaliation and racial discrimination. On July 25, 2014 the U.S. Equal Employment Opportunity Commission issued a Dismissal and Notice of Rights, finding there was no employer/employee relationship. October 23, 2014 Ms. Maudlin filed a complaint in the U.S. District Court for the Northern District of Illinois, Case No. 1:14-cv-08341, alleging sexual harassment, retaliation and racial discrimination. Defendants denied all claims of harassment, retaliation and discrimination. The parties subsequently settled the case and we consider the matter closed.
