

**Online Public Inspection File Certification**

Millennial Telecommunications, Inc. (“Millennial”), licensee of WJYS(TV) (the “Station”), Hammond, Indiana, hereby certifies that except as described herein, WJYS(TV) has timely uploaded all required documents to its online inspection public file and otherwise has complied with the Commission’s public inspection file rule in all material respects.

While WJYS(TV) has substantially complied with the Commission’s rules, a few documents were uploaded late. Specifically, WJYS(TV) uploaded its 3<sup>rd</sup> quarter 2013, 4<sup>th</sup> quarter 2017, and 1<sup>st</sup> quarter 2018 issues/programs lists, Children’s programming reports, and Children’s commercial limits certifications late. WJYS(TV) also uploaded its 2<sup>nd</sup> quarter 2018 issues/programs list and Children’s commercial limits certifications late. In each instance, as soon as the Station became aware of the inadvertent oversight, it immediately uploaded the materials to its online public inspection file.

Millennial has reviewed the circumstances relating to these instances of administrative oversight and, when late uploads occur, employees are required to review the situation and make any needed corrections to Station processes to ensure timely uploads going forward.

The Station has not sold any political advertising in the past two years.
