### **License Renewal Application Transfer of Control**

As the FCC's records reflect, TEGNA Inc. acquired control of VideOhio, Inc. licensee of Station WALV-CD, Indianapolis, Indiana, pursuant to a long-form transfer of control, which was granted by the FCC on July 29, 2019, and consummated on August 8, 2019 (see BTC-20190617AAV). Thus, pursuant to FCC policy and the renewal application instructions, the renewal applicant's responses cover the period commencing as of the consummation of the transfer of control.
