

### Multiple Ownership Rules Compliance by Assignee

Neither the Assignee, Sputnik Media, nor its sole principal, Quinn Echols, has any interest in any media whatsoever other than the instant application as assignee of KJVC. Therefore, since pursuant to Section 73.3555 of the Commission's Rules, every otherwise qualified entity can own one broadcast station in any market, the Assignee is clearly in full compliance with Section 73.3555 and any other multiple ownership obligations of the Commission's Rules. The Assignee nor its principal has any interest in any newspaper or other media of mass communications.
