

## **CONTINGENT APPLICATIONS**

This is to call the FCC's attention to the fact that Zimmer Midwest Communications, Inc. (ZMCI) is the licensee of KBFL-FM (Facility ID 33654), Buffalo, MO **AND** KWTO-FM (Facility ID 63339), Springfield, MO.

ZMCI is today concurrently filing a contingent minor modification application for change of city of license for each of KBFL-FM and KWTO-FM. Since the stations are co-owned, no written agreement for the stations to undertake the coordinated facility modifications is submitted.
