Dear Sir,

This will serve as the exhibit to confirm that proposed facility has contour overlap with the licensed digital facility. The coordinates of the proposed digital facility match the licensed digital facility. Since both the licensed digital facility and the proposed digital facility are located on the same support structure, contour overlap must exist. Hence, no contour overlap map is provided with the application.

Should you have any questions regarding this information please contact me.

Sincerely,

A handwritten signature in cursive script that reads "Greg Best, PE". The signature is written in black ink and is positioned above the printed name.
