

### **Amendatory Statement**

920 AM, LLC, licensee of AM Station **WGNU, St. Louis, MO (Facility ID 49042)**, and BDJ Radio Enterprises, LLC, licensee of AM Station **KXEN, St. Louis, MO (Facility ID 54739)**, respectfully submit this Schedule 396 and request that it be treated as an amendment to the Schedule 396 (File No. **0000122425**) filed on September 25, 2020 in connection with the pending license renewal applications for WGNU (File No. 0000122956) and KXEN (File No. 000122954).<sup>1</sup>

The purpose of this amendment is to confirm that on September 25, 2020, the filing date of the original Schedule 396 (and for more than 7 months prior thereto), the SEU employed fewer than five full-time employees and thus had “small station” status under Section 73.2080(d) of the Commission’s Rules.

<sup>1</sup> WGNU and KXEN operate as a single station employment unit (“SEU”) under Section 73.2080 of the Rules. Their respective licensees, 920 AM, LLC and BDJ Radio Enterprises, LLC, are affiliates with identical ownership.
