

2021 License Renewal La Unica Broadcasting KPTJ Grape Creek, Texas & KSJT-FM San Angelo, Texas

Slightly Delayed Filing

Covid has seriously impacted business in the Concho Valley our locally owned/independently owned/non-chain stations serve. We've cut staff, spread remaining work across fewer people. Much of that work had to be done remotely. Between remote filing and the great rush of online filers, we didn't get finished on April 1. We filed as quickly as we could organize the last items.

We greatly regret the delayed filing and the trouble caused to the FCC Staff.
