Special Temporary Authority Justification

WCEA-LD (“WCEA”) was licensed on Channel 45 but has been displaced following the incentive auction and TV channel repack.<sup>1</sup> The station has a construction permit to move to Channel 36.<sup>2</sup> It is currently off-air pursuant to a silent STA.<sup>3</sup> As explained in the silent STA, WCEA is working to acquire equipment and be reimbursed for necessary changes to its facility to operate pursuant to its Channel 36 construction permit. However, in the interest of resuming service as soon as possible, WCEA now asks the Commission to grant an engineering STA that will permit WCEA to operate on Channel 36 as described in the engineering affidavit attached to this request.
