

**Station Employment Unit  
Narrative Statement**

As demonstrated by the two attached EEO public file reports, the station employment unit (SEU) is committed to achieving broad and inclusive outreach for all full-time positions that it fills. The SEU employs a variety of sources to reach and recruit potential candidates including local and national sources. Its internship program, university career fair participation, hosting of classes or individuals for tours on unique aspects of broadcast operations and other outreach efforts in the surrounding communities ensure that the SEU is well connected to the communities it serves. The SEU takes its EEO responsibilities seriously and will continue to do so.
