

Mission Statement

Growth through an aggressive program of evangelization. Using various methods available to the Church. Mark 16:15

Restore fallen Christian by showing affection and love. Not indifference. Establish a ministry of restoration that includes visitation and prayer in the affected homes. Luke 10:33-35

Instruct and nurture our children: Establish a strong teaching program in our Sunday school. Establish a day care center that would serve as a church ministry. Establish an academy to teach our children and those in the community. Proverbs 22:6

Serving our community: Establish a kitchen of mercy, "The Mercy Kitchen". A used clothing store where the price of each item will be a home visit by evangelism equipment. Matthew 25:35-40

Work to help other works that begin. Establish a mission department with your workers working full-time, on salary. Implement family cells groups that work on winning souls. Philippians 4:13-19

Pray, pray, pray. None of our plans will come to an end if we don't seek God. Our plans must be Prayerful, begging, and crying. Matthew 6:33; Psalm 51:17
