Tucson Radio acquired KDRI(AM) (formerly KFLT) from Family Life Broadcasting on July 31, 2019. Tucson Radio did not have any full-time vacancies during the period from August 1, 2019 to June 1, 2020.

Tucson Radio is an equal opportunity employer and has implemented an EEO program, including the establishment of a recruitment source list for disseminating information about any job openings.

The employment unit will use a variety of recruitment sources designed to inform qualified job applicants in the community of the availability of full-time vacancies at the station. The specific recruitment sources used may vary depending on the position to be filled and may include area colleges and universities, minority organizations, state and local employment agencies, on-air announcements, and the station website. Jobs requiring specialized skills may be advertised in professional and trade journals as well as on websites targeted to candidates with such skills.
