Discrimination Complaints

**Meredith Corporation v. Dominic Lulli:** Meredith filed suit against Lulli in the District Court of Saginaw County for breach of contract on July 21, 2016 (Case No. 16-002598-GC) due to his resignation and for reimbursement of overpaid payroll. Lulli moved for transfer of jurisdiction to the Circuit Court for Saginaw County, and then filed a counterclaim for sex discrimination, retaliation, and defamation in December 2016 (Case No. 17-032454-CK). The circuit court granted Meredith's motion for summary disposition and dismissed Lulli's counterclaims in June 2018, and district court dismissed the action in April 2019.
