

EXHIBIT FOR FILING MINOR MODIFICATION OF W25EN-D, F1  
187782, TALLAHASSEE, FL FCC FILE NUMBER BNPDTL-  
20100728ACD

The within application is for filing of a small LPTV facility at 50 M AGL on registered tower ASR #1026880. A TV Study interference analysis was run; it showed no unacceptable interference to any facility, permit or application as of the time of filing. For the purposes of this application, applicant is willing to accept up to 20% incoming interference from other applications or facilities with the intent of resolving these issues in due course.
