During 2020, our non-vacancy specific outreach efforts were seriously hampered by restrictions in place due to the Covid-19 pandemic. KDRI will increase and expand our recruiting efforts during 2022 as these restrictions are lifted. During the 2020-2021 period our outreach included the following:

- An 8-week training period for sales personnel through P1 Learning and the Arizona Broadcasters Association. July-September, 2020.

- Two (2) presentations to students at the University of Arizona studying marketing, advertising and sales on 3/25/20 and 5/4/2020.
- Senior staff: President, General Manager and Sales Manager, used their combined 90+ years in the Tucson market to solicit recruitment leads for persons looking for radio employment.
- Station introduction at business events in which information was presented about job availabilities and desire for applicant referrals at Tucson Business Owners, Inc on 3/15/20 and 5/17/20.
