Ellis Pierce**

Pursuant to Section 1.16 of the Rules of the Federal Communications Commission, Brandt Ellis Pierce, a resident of Utah, declares and states as follows pursuant to the requirements of 73.261:

1. I hold licenses for translator stations that serve rural areas of Utah. These stations rebroadcast the signals of full power stations in areas where such stations cannot be received by conventional means.
2. I do not charge for the FM translator service it provides. I operate the translators as a public service and, except as provided by 74.1232, is wholly dependent on subscriptions or contributions from the communities that the translators serve.
3. In light of the forgoing, I believe that it merits either a waiver or an exemption from past and future regulatory fees. My translator call signs include, K297BV, K266BF, K274BU, K232AR, K262BO

I declare under penalty of perjury that the forgoing is true and correct.
