

### **Assignee Parties to the Application**

Charles D. Marsh is the single majority shareholder of the assignee with 51% of voting and equity. Accordingly, the other shareholders of the assignee are not attributable pursuant to the Commission's majority shareholder exemption. The non-attributable shareholders will be US citizens or owned entirely by US citizens. As the controlling shareholder, Mr. Marsh will be able to monitor and ensure compliance with the alien ownership provisions of Section 310(b).
