

**Certification Regarding Compliance with Children's Programming Commercial Limits During the Preceding License Term**

As a standard practice, all programs designed for children 12 years of age and younger that were broadcast on the station were formatted to allow no more than 10.5 minutes of commercial time per hour on weekends and 12 minutes of commercial matter per hours on weekdays. There were no occasions during the preceding license term on which these limitations were exceeded. We note, however, as reported in the station's fourth quarter of 2018 certification, that a commercial for Hot Wheels Super Ultimate Garage was aired on eleven occasions during eight episodes of Team Hot Wheels between November 10, 2018 and December 16, 2018. The commercial was pulled from the program immediately after discovery.

Applicant also notes that it omitted the list of programming designed for children 12 years of age and younger that aired during the fourth quarter of 2017 in its Commercial Limits Certification for such period, but has since uploaded an amended certification for such period to the Public Inspection File.
