

Notification of Resumption of Normal Operations at W31DH-D

In a filing submitted May 7, 2021, the University of North Carolina (“UNC” or the “Licensee”), licensee and permittee of W31DH-D, Franklin, North Carolina (Fac. ID No. 69058), notified the Commission that W31DH-D was operating at reduced power. *See* LMS File No. [0000144702](#).

UNC is pleased to report that, as of May 27, 2021, full power operations were restored at W31DH-D and at the same time the input signal to W05AR-D reportedly continued to be stable.
