

KQDS Acquisition Corp. is the licensee of TV translator station W15EE-D, Ashland, Wisconsin, and it also is the licensee of full-power television station KQDS-TV, Duluth, Minnesota (Facility ID 35525). W15EE-D, which originates no programming, solely rebroadcasts the signal of KQDS-TV.

The instant application for renewal of the license of W15EE-D is filed because television stations licensed to communities within the state of Wisconsin have a license renewal application filing deadline of August 1, 2021, while television stations licensed to communities within the state of Minnesota (such as KQDS-TV) have a license renewal application filing deadline of December 1, 2021. Therefore, this application is filed for W15EE-D as a “stand-alone” TV translator station.
