Re: Assignee Certifications for Low-Power Television Stations Construction Permit  
Extension Requests

**DEAR MS. DORTCH,**

Lowcountry 34 Media, LLC (“Lowcountry”) is the proposed assignee for the 2 low-power television station construction permits listed in the attached chart (“LPTV Permits”).

Lowcountry fully intends that each of the LPTV Permits will be constructed in accordance either with the July 2021 deadline for construction or the extended deadline if granted pursuant to the LPTV Permit’s extension request (“Extension Requests”). Lowcountry is working on behalf of, and under the direction and supervision of the current permittee, DTV America Corporation, to construct certain of the LPTV Permits on or before the assignment applications (“Assignment Applications”) are granted (obviating the need for the relevant Extension Requests, if construction goes as scheduled).

For the other LPTV Permits, Lowcountry fully intends to complete construction of the LPTV Permits following consummation of the Assignment Applications: (1) in accordance with the timeline for construction set forth in the LPTV Permit’s Extension Request; and (2) prior to the LPTV Permit’s expiration date – as may be extended pursuant to its Extension Request.

Should you have any questions regarding Lowcountry’s intention to construct the LPTV Permits, please contact the undersigned.

Sincerely,

Jeff Winemiller  
Co-Owner
