*Buyer's Statement for CP Extension Request*

FCC Staff:

My Central Valley, LLC (“**My CV**”) is providing this “**Buyer Statement**” as it relates to their acquisition of the construction permits for digital low power television stations:

KUMJ-LD, Beaumont - Port Arthur, TX (FCC Facility 182036)  
K32OH-D, Duluth, MN - Superior, WI (FCC Facility 186867)  
W26FD-D, La Crosse - Eau Claire, WI (FCC Facility 184328)  
W34EO-D, Wausau - Rhinelander, WI (FCC Facility 184338)

from DTV America Corporation (“**DTV**”) (Assignment of Authorization 0000150435 filed June 17, 2021) and the Extension of Construction Permit filing for this facility that was filed by DTV on June 18, 2021.

MyCV attests and confirms that the justification provided in the Extension of Construction Permit filing is true and correct as filed by DTV.

MyCV is providing the below timeline for their construction and operation of the station.

**Estimated Timeline:**

- By July 7, 2021 – MyCV places orders for required transmission equipment (transmitter, antenna, tx line and related equipment as necessary) to build the CP.
- During the month of August 2021 – DTV and MyCV close and consummate the sale.
- By October 15, 2021 – MyCV receives all transmission equipment.
- By January 1, 2022 – MyCV completes the installation of all transmission equipment for each of the CPs
- By January 1, 2021 – MyCV files license to cover application and commences operation of the station.

MyCV intends to have construction completed prior to these dates and will give their best efforts to do so. They may be subject to equipment delivery and/or installation delays. We request FCC approval of the CP Extension Requests for the above CPs as filed by DTV and appreciate your consideration.
