WNTV(TV) – Request for Extension of Special Temporary Authority

South Carolina Educational TV Commission ("SCETV"), licensee of noncommercial educational TV station WNTV(TV), Greenville, South Carolina ("WNTV"), hereby respectfully requests twelve (12) months of additional special temporary authority to operate from temporary facilities on its post-auction channel until such time as the station is able to construct and license its permanent post-auction facilities. As set forth in the attached narrative exhibit filed with WNTV's tolling request today, WNTV has been unable to construct its permanent facilities due to rare and exceptional circumstances beyond its control and thus continued STA is necessary.
