

**Amendment to License Renewal Application**

**Digital LPTV Station W17CT-D**

The instant amendment is being filed to notify the Commission that W17CT-D resumed operations on November 2, 2020 (see LMS File No. [0000125367](#)). Accordingly, with respect to the renewal question that asks it to certify whether the station is currently on the air broadcasting programming intended to be received by the public, the licensee hereby amends its answer from NO to YES effective November 2, 2020.

**Digital LPTV Station W30DN-D**

The instant amendment is being filed to notify the Commission that W30DN-D resumed operations on October 1, 2020 (see LMS File No. [0000123978](#)). Accordingly, with respect to the renewal question that asks it to certify whether the station is currently on the air broadcasting programming intended to be received by the public, the licensee hereby amends its answer from NO to YES effective October 1, 2020.

**Digital LPTV Station W22EN-D**

The instant amendment is being filed to notify the Commission that W22EN-D resumed operations on October 1, 2020 (see LMS File No. [0000123976](#)). Accordingly, with respect to the renewal question that asks it to certify whether the station is currently on the air broadcasting programming intended to be received by the public, the licensee hereby amends its answer from NO to YES effective October 1, 2020.

**Digital LPTV Station W28CJ-D**

The instant amendment is being filed to notify the Commission that W28CJ-D resumed operations on October 1, 2020 (see LMS File No. [0000123975](#)). Accordingly, with respect to the renewal question that asks it to certify whether the station is currently on the air broadcasting programming intended to be received by the public, the licensee hereby amends its answer from NO to YES effective October 1, 2020.

**Digital LPTV Station W26EY-D (formerly W45CL-D)**

The instant amendment is being filed to notify the Commission that W26EY-D resumed operations on April 29, 2021 (see LMS File No. [0000144443](#)). Accordingly, with respect to the renewal question that asks it to certify whether the station is currently on the air broadcasting programming intended to be received by the public, the licensee hereby amends its answer from NO to YES effective April 29, 2021.
