

**Renewal of License Applications Amendments
W02CS-D, W02CT-D, W02CU-D, W20DQ-D, W20DR-D,
W20DS-D, W24EI-D, W36EP-D, WNTE-LD AND, WVDO-LD.**

Ramon A. Hernandez hereby amends LPTV Stations W02CS-D, W02CT-D, W02CU-D, W20DQ-D, W20DR-D, W20DS-D, W24EI-D, and W36EP-D application for license renewal to indicate discontinued operations of more than a year and, adherence to minimum operating schedules information. The WNTE-LD and, WVDO-LD are amended to indicate adherence to minimum operating schedules information.

Minimum Operating Schedule & Discontinued Operations

W02CS-D was silent from September 20, 2017, to July 5, 2019, due to technical and equipment problems resulting from the catastrophic damage caused throughout the island of Puerto Rico by Hurricane Maria, and under “Suspension of Operations and Silent Authority of an LPTV Station Application” and several “LPTV Legal STA Applications” requesting Silent STA renewals. See FCC File Numbers 0000030289, 0000053421, 0000059745 and, 0000068326.

W02CS-D resumed operations on July 5, 2019, under “LPTV Engineering STA Application”. FCC File number 0000068275.

W02CS-D confirms it is currently on the air.

W02CT-D was silent from September 20, 2017, to August 15, 2019, due to technical and equipment problems resulting from the catastrophic damage caused throughout the island of Puerto Rico by Hurricane Maria, and under “Suspension of Operations and Silent Authority of an LPTV Station Application” and several “LPTV Legal STA Applications” requesting Silent STA renewals. See FCC File Numbers 0000030291, 0000053418, 0000059746 and, 0000068325.

W02CT-D resumed operations on August 15, 2019, under an “LPTV Engineering STA Application”. FCC File number 0000068276.

W02CT-D confirms it is currently on the air.

W02CU-D was silent from September 20, 2017, to June 13, 2019, due to technical and equipment problems resulting from the catastrophic damage caused throughout the island of Puerto Rico by Hurricane Maria, and under “Suspension of Operations and Silent Authority of an LPTV Station Application” and several “LPTV Legal STA Applications requesting Silent STA” renewals. See FCC File Numbers 0000030292, 0000053416, 0000059747 and, 0000068324.

W02CU-D resumed operations on June 13, 2019, under a “LPTV Engineering STA Application”. FCC File number 0000068274.

W02CU-D confirms it is currently on the air.

W20DQ-D was silent from September 20, 2017, to May 25, 2019, due to technical and equipment problems resulting from the catastrophic damage caused throughout the island of Puerto Rico by Hurricane Maria, and under “Suspension of Operations and Silent Authority of an LPTV Station Application” and several “LPTV Legal STA Applications” requesting Silent STA renewals. See FCC File Numbers 0000030294, 0000053415, 0000059739 and, 0000068323.

W20DQ-D resumed operations on May 25, 2019, under a “LPTV Engineering STA Application”. FCC File number 0000068256.

W20DQ-D confirms it is currently on the air.

W20DR-D was silent from September 20, 2017, to March 5, 2019, due to technical and equipment problems resulting from the catastrophic damage caused throughout the island of Puerto Rico by Hurricane Maria, and under “Suspension of Operations and Silent Authority of an LPTV Station Application” and several “LPTV Legal STA” Applications requesting Silent STA renewals. See FCC File Numbers 0000030295, 0000053414 and, 0000059740.

W20DR-D resumed operations on March 5, 2019, under “Reduced Power Notification for an LPTV Station Application”. FCC File number 0000068329 and operating parameters under File Number 0000068255.

W20DR-D confirms it is currently on the air.

W20DS-D was silent from September 20, 2017, to July 26, 2019, due to technical and equipment problems resulting from the catastrophic damage caused throughout the island of Puerto Rico by Hurricane Maria, and under “Suspension of Operations and Silent Authority of an LPTV Station Application” and several “LPTV Legal STA Applications” requesting Silent STA renewals. See FCC File Numbers 0000030298, 0000053407, 0000059743 and, 0000068321.

W20DS-D resumed operations on July 26, 2019, under a “LPTV Engineering STA Application”. FCC File number 0000068254

W20DS-D confirms it is currently on the air.

W24EI-D was silent from September 20, 2017, to April 10, 2019, due to technical and equipment problems resulting from the catastrophic damage caused throughout the island of Puerto Rico by Hurricane Maria, and under “Suspension of Operations and Silent Authority of an LPTV Station Application” and several “LPTV Legal STA Applications” requesting Silent STA renewals. See FCC File Numbers 0000030299, 0000053405, 0000059744 and, 0000068320.

W24EI-D resumed operations on April 10, 2019, under a “LPTV Engineering STA Application”. FCC File number 0000068277.

W24EI-D confirms it is currently on the air.

W36EP-D was silent from September 20, 2017, to April 23, 2019, due to technical and equipment problems resulting from the catastrophic damage caused throughout the island of Puerto Rico by Hurricane Maria, and under “Suspension of Operations and Silent Authority of an LPTV Station Application” and several “LPTV Legal STA Applications requesting Silent STA” renewals. See FCC File Numbers 0000030297, 0000053410, 0000059742 and, 0000068322.

W36EP-D resumed operations on April 23, 2019, under a “LPTV Engineering STA Application”. File number 0000068278.

W36EP-D confirms it is currently on the air.

Minimum Operating Schedule

WNTE-LD, was silent for more than 30 days from September 20, 2017, to January 10, 2018, due to technical and equipment problems resulting from the catastrophic damage caused throughout the island of Puerto Rico by Hurricane Maria, and under "Suspension of Operations and Silent Authority of an LPTV Station Application". FCC File Number 0000030293.

WNTE-LD resumed operations on January 10, 2019, under "Resumption of Operations of an LPTV Station Application". File number 0000040464.

WNTE-LD confirms it is currently on the air.

WVDO-LD, was silent for more than 30days from September 20, 2017, to January 10, 2018, due to technical and equipment problems resulting from the catastrophic damage caused throughout the island of Puerto Rico by Hurricane Maria, and under "Suspension of Operations and Silent Authority of an LPTV Station Application". FCC File Number 0000030290.

WVDO-LD resumed operations on January 10, 2019, under "Resumption of Operations of an LPTV Station Application. File number 0000040463.

WVDO-LD confirms it is currently on the air.
