

Silent Period

The station was taken silent on 9/6/2019 (LMS-000081437) in order to complete construction of its repack facility. A license to cover was filed on 1/21/2020 (LMS-0000098761).

The station was again taken silent due to problems with the equipment installed as part of the repack (Silent STA: LMS-0000105749). The station resumed operations on 12/20/20. Licensee filed a license to cover a modified facility on 12/23/2020 (LMS-0000130086). Licensee amended this renewal application to reflect resumption of operations (LMS-0000125692).
