**Re: Assignee Buildout Certifications for Low-Power Television Stations  
Construction Permit Extension Requests**

Dear Ms. Dortch:

Innovative Media Technologies the proposed assignee (pending application file numbers: 0000152323 and 0000152328) for the below referenced low-power television station construction permits (collectively, the “LPTV Permits”), hereby files this letter pursuant to staff request to confirm the statements made in the construction permit extension requests (collectively, the “Extension Requests”) regarding its intent to construct the LPTV Permits.

<b>Designated Market Area</b>	<b>Call Sign</b>	<b>Facility ID</b>	<b>CP Extension Application</b>
Atlanta, GA	W23DV-D	183588	0000139646
Minneapolis - St. Paul, MN	K26PF-D	184641	0000139622
Myrtle Beach - Florence, SC	W15DC-D	182014	0000139643
Portland, OR	K21LB-D	185411	To be filed

Following consummation of the assignment of the LPTV Permits, Innovative Media Technologies fully intends to complete construction of each LPTV Permit: (1) in accordance with the timeline for construction set forth in the LPTV Permit’s Extension Request; and (2) prior to the LPTV Permit’s expiration date – as may be extended pursuant to its Extension Request. Should you have any questions regarding Innovative Media Technologies intention to buildout the LPTV Permits, please contact the undersigned.

Sincerely,

Vincent Castelli
