

FCC Form 303-S

On August 1, 2018 licensee KDTV License Partnership, G.P., filed the required FCC Form 397 Broadcast Mid-Term Report in the CDBS database (File No. B397 - 20180801AAW). While reviewing for the station's upcoming license renewal, it was discovered that KVVZ(FM), San Rafael, CA (FIN 40136) was erroneously left off of the Univision/San Francisco Employment Unit's Form 397 report. A copy of the 2018 Report, with an explanatory note regarding the inadvertent omission of KVVZ(FM), has since been uploaded to the station's FCC Online Public File.
