

Signal Above LLC
WDCN-LP (Facility ID No. 20450)
Suspension of Operations Exhibit

WDCN-LP ceased analog operations on July 13, 2021, and is awaiting completion of construction of its new ATSC 3.0 facilities, pursuant to the Construction Permit Extension granted on May 19, 2021 (File No. 0000139094), or the prior grant of its Legal STA request (File No. 0000152336). Special temporary authority to remain silent will be requested if this silence extends for more than 30 days.
