Re: Analog License Cancellations

Dear Licensee:

This is with respect to the former stations listed in the attached Appendix. Section 74.731(m) of the Commission's rules provides that:

After 11:59 p.m. local time, [][July 13, 2021], low power television and TV translator stations may no longer operate any facility in analog (NTSC) mode and all licenses for such analog operations shall automatically cancel at that time without any affirmative action by the Commission.<sup>1</sup>

Commission records indicate that you failed to file a digital construction permit for the stations and their licenses automatically canceled at 12:00 A.M. (local time) on July 14, 2021.

Accordingly, pursuant to section 74.731 of the Commission's rules, 47 CFR § 74.731(m), the licenses for the stations listed in the attached Appendix were **AUTOMATICALLY CANCELED**, their call signs have been **DELETED**, and any pending applications have been **DISMISSED**.<sup>2</sup> All authority to operate the stations has been **TERMINATED**<sup>3</sup> and any operation of these facilities **MUST CEASE IMMEDIATELY**.<sup>4</sup>

Sincerely,

/s/

Barbara A. Kreisman  
Chief, Video Division  
Media Bureau

<sup>3</sup> See 47 CFR § 74.731(m).

<sup>4</sup> We remind the Licensee that pursuant to section 73.1740(a)(4) of the rules, it must continue to adhere to the requirements in the former stations' authorizations pertaining to lighting of antenna structures. See 47 CFR § 73.1740(a)(4).
