

Silent Station Exhibit
University Corporation at Monterey Bay

K207CN is authorized to rebroadcast full-power station KAZU(FM), Facility ID No. 43591.

K207CN went silent on April 9, 2021 after being displaced by a co-channel full power station's modification (see BLSTA - 20210419AAG). The licensee will amend the license renewal application when the station can find a solution to allow it to relocate to another channel.
