KWVE-FM OPIF Compliance Narrative

Calvary Chapel of Costa Mesa Inc. (“CCCM”), licensee of KWVE-FM, acknowledges that the Issues/Programs lists for the 1st quarter of 2014 through the 1st quarter of 2016 were not timely uploaded to the station’s OPIF. CCCM further states that these Issues/Programs lists were timely created and timely placed in the station’s paper public file. They simply were not uploaded to the OPIF at the time the OPIF was created.

CCCM also acknowledges that the Issues/Programs list for the 4th quarter of 2013 is missing. CCCM was unable to locate pre-2014 documents in the Station’s old paper public file.

CCCM also acknowledges that a number of its EEO public file reports were not timely uploaded. Specifically, its 2014-15 EEO report was uploaded on August 5, 2016; the 2015-16 report was uploaded on October 21, 2016; the 2016-17 report on August 15, 2017; and the 2017-18 report on August 13, 2018.
