

### **Online Public Inspection File Disclosure**

The station inadvertently did not timely upload a list of Section 73.3613 documents pursuant to Section 73.3526(e)(5). The list of documents has been added to the station's online public inspection file.

The Local Programming that was reported in Quarter 3 of 2020 inadvertently did not run. Therefore, the station aired a sufficient amount of Issues and Programs in Quarter 4 of 2020 so that, on average over the two quarters, the station fulfilled this requirement. As such, a statement noting this was timely filed in the Online Public Inspection File.
