**Special Temporary Authority -- Reduced Power Operations**

On July 19, 2021, NBC Telemundo License LLC ("NBC"), licensee of Television Broadcast Station KNBC(TV), Los Angeles, California (the "Station"), notified the Commission that the Station was transmitting at approximately 50% of its authorized power (File No. 0000153346).

Lab testing of antenna burn-out deposits is currently being conducted; the results are expected to be available within the next week. Subsequently, a determination can be made whether the antenna can return to full power, or if continued reduced power operations will be required until a replacement antenna can be procured and installed.
