

### **JUSTIFICATION FOR SILENT STA**

By this filing, Triple Seven Media, LLC (“Triple Seven”) respectfully requests authority for the silent operation of W18EZ-D, Delphi, IN (“Station”). The station currently is off the air for technical and financial reasons. Because the Station is off the air, it is unable to participate in the EAS system. Triple Seven actively is searching for EAS equipment, and expects to acquire such equipment (and be able to install it) in the near term.

Grant of Special Temporary Authority for the silent operation of the Station is in the public interest so that the Commission is aware that the Station cannot participate in the EAS system. Triple Seven will advise the Commission when the Station is ready to resume its licensed operations.
