

**WTOO-LD, Barnsboro, PA (Fac. Id. 187453)**  
**Silent STA Justification**

WTOO-LD temporarily ceased operations on July 26, 2021 in support of ongoing efforts involving relocation to a new transmitter site. Delays in efforts to complete the steps necessary for and transition to the new site require the station to remain silent past 30 days. While it anticipates completing construction before then, WTOO-LD requests authority to temporarily remain silent for 180 days, and will terminate the STA and file a resumption notice if it completes the transition before then.
