

## **Online Public Inspection File**

### **KMAX(AM)**

While the station timely uploaded information regarding political advertising to the station's online public file in most cases, the station did not upload material immediately in a number of instances during the license term. In addition, the station uploaded the list of Section 73.3613 documents late on August 31, 2021 and the station uploaded the quarterly issues/programs list for 2Q 2018 late on October 1, 2018.
