

PURPOSE FOR FILING AMENDMENT

WNYZ-LP AMENDMENT TO MINOR CHANGE APPLICATION FOR CP FILE 0000157844

TOWAIR ANALYSIS

NEW YORK, NEW YORK

AUGUST 31, 2021

This filing is prepared in response to FCC staff analysis of the above noted application and finding that Towair failed. A new pole and antenna height design has been completed and submitted in Towair with a determination that the structure does not require registration and meets the 20-foot rule criteria.
