Word of God Fellowship, Inc. ("WOGF"), licensee of WDYC-LD, Cincinnati, OH (FID 68075) requests dismissal of the displacement construction permit, File No. 0000145362. The dismissal will allow WOGF to file a new displacement application WDYC-LD on Channel 32, which will obviate the need to obtain a new transmitter and result in a faster and less expensive build out.
