

### **WFND-LD-Adherence to Minimum Operating Schedule Exhibit**

As an analog low power TV station, WFND-LD operated at less than its prescribed minimum operating hours for two periods of more than 30 days during the current license period. The station was silent from September 24, 2014 through August 10, 2015 due to equipment failure. The station was silent a second time, from May 26, 2017 through April 30, 2018, also due to equipment failure.

In 2018, the station completed construction of its displaced, digital facilities and began operating pursuant to its licensed parameters on June 14, 2018.
