Also include copies of all leases, personnel records (including payroll records appropriately redacted to protect the privacy of individual employees), engineering records, and station records, including EAS logs, for all periods. In addition, you must provide copies of all invoices, bills, checks written or received, credit card charges, wire transfers or deposits of funds relating to the Station's operation. In addition, if the Station uses accounting software to maintain financial records, provide printouts of the data recorded for this period. You **must also include pictures** of the Station's studio facilities and transmission facilities during this timeframe and provide exact Station coordinates.

⁴ See 47 C.F.R. § 1.16.
